Don't bring me secondhand love  
I know you went out tonight  
Who've you been hanging around with this time?  
I don't care if he's black or white  
I just don't like his kind.  
I don't want your secondhand love  
He's been leaving his scent on you  
I can sense it from a mile  
All my money is spent on you  
But you're still selling your smile  
Don't bring me secondhand love  
Give your love, and keep blood between brothers  
I don't want your secondhand love  
I can guess where you've been tonight  
You've been hanging out on the street  
Wearing your dress too tight  
You're showin' out to anyone you meet  
I don't want your secondhand love  
I want the first call on your kiss  
Answer me one question: can you promise me this  
I want my defences laying in your hands

I don't want to rest in the palm of another man

Don't want your secondhand love
