

## Mathematics f/ Allah Real, Bad Luck

### "Wanna Believe"

Visit "[Wanna Believe](#)" on [MotoLyrics.com](http://MotoLyrics.com)

[Intro: Allah Real]

I wanna believe, you gotta believe (6X)

[Bad Luck]

How could I love a woman I can't trust, I knew from the start

That this here was more than lust

It was like yesterday when we was on that bus

You said I sold your heart the first time I made you blush

Now it's like your girlfriends is the voice of your conscience

And that's the main reason why I'm thinking it's nonsense

But for now, situation's under the carpet

Let's keep it real, ma, I'mma love you regardless, let's go

[Allah Real]

The other day, when I went outside I realized

You drive me crazy, got me thinking, another guy?

I've never been focused, but these feelings I have inside

The way I feel, I just wanna run and hide

[Chorus 2X: Allah Real]

I wanna believe, knowing what's right from wrong

I wanna believe, baby, what is going on?

[Allah Real]

This thing will past, cuz the love that burns inside

Now I understand, girl, I'm just an average guy

True love to be, that is worth me fighting for

I'm telling you, girl, I'm so in love with you

[Chorus 2X]

[Hook 2X: Allah Real]

You, don't, know, what, I've, been through

All, my, thoughts spent --- on you

[Allah Real]

True love to be, that is worth me fighting for  
I'm telling you, girl, I'm so in love with you

[Chorus + Hook to end]
