It seems like i'm surrounded everywhere i go
Every fuckin town, every fuckin show
I dedicate this song to everyone i know
Cuz it's not always what you do
But sometimes what you don't
*Chorus
Everywhere you go (assholes assholes)
Everyone you know (assholes assholes)
Everyone you see (assholes assholes)
Everyone you meet (assholes assholes)
Assholes assholes
Always talkin shit and causing fuckin hassles
Someone's gotta tell you you're a fuckin asshole!
What'cha gonna do when the fuckin axe falls
Someone's gonna tell you you're a fuckin asshole
It seems like i'm surrounded everywhere i go
Every fuckin town, every fuckin show
I dedicate this song to everyone i know
Cuz it's not always what you do
But sometimes what you don't
Everyone is guilty, that's my philosophy
The ignorant and unaware in glee and apathy
The disrespectful selfish fucks that are proud to be
Everyone in between just like you and me
Get the fuck out of my way!
You deserve a punch in the face!
Why am i full of hate? you need to ask?
Everyone from my town boston mass is full of
Fuckin assholes
*Chorus
