Performed by Monster Magnet)

Goin' down now

The mountain screamed three times today

I guess it thought I like to play

How much does one have to pay

To fry a peak and melt away

Launching titan's breath on mine

The sweating measure lands on time

And the old man down by the river

Well he gets up and he walks on down

To the spaceship that's parked at your doorstep

And it's waiting to take you away now

Goin' down now

Goin' down now

Looking for the rat that crowed

He's hooked up down to Mexico

Slap my nerve now gimme more

It's my disaster, friend, not yours

And the last one is down by the river

Well, he gets up and he walks on down

To the spaceship that's parked at your doorstep

And it's waiting to take you away now

It's down by the river, it's always this way now

It's down by the river, it's always this way now

Goin' down now

Goin' down now

Now, now, now

Down, down, down
