T was a tragedy but, when she spied Alfie's nut
Drooping down on top of his gut
She could not believe it, Audrey's sides nearly split
Twas this the end of that fat wheezing git? I know

[Chorus:]

AUDREY'S ALONE AT LAST

But there ain't any doubt, Alfie left her up the spout

AUDREY'S JAW DROPPED WHEN MARTIN SAID

Woooooooooooooooooooooooooooo

AUDREY AUDREY...Yer get nowt

Audrey was laughing when, Nicky, Gail, Martin then
They never got Alf to take oxygen again

Oxygen, that's when...

AUDREY'S ALONE AT LAST

AUDREY AUDREY

There ain't no change CHANGE CHAANGE

Of insurance, NOINHERITANCE

Left in debt, she won't forget, the greedy get ALFIE

[Guitar]

[Chorus 2x]

AUDREY AUDREY, AUDREY OI!

Yer get nowt..
