Carol Dodds ahooo is a girl
She was always happy
But now it's crap for her she's met Keith
Carol Dodds ahooo's in a whirl
She thinks Keith is good
But I knew he would leave herrrrrrrr

She is getting fat her belly's got a lump in it
Keith must have done that, you never see him now
Poor Carol does beg Keith back 'cause she's pregnant
Carol Dodds is preeeeeeeegnant

Carol Dodds ahoo's getting sick
She does want Keith much
Even just to touch him would make her feel good
Carol Dodds ahoo needs love quick
She just wants to be
Next to Keith you see to satisfy herrrrrrrr

She is getting fat her belly's got a lump in it
Keith must have done that, you never see him now
Poor Carol does beg Keith back 'cause she's pregnant
Carol Dodds is preeeeeeeegnant

Carol Dodds ahoo misses Keith
She's finding it tough
Though Keith is a scruff she loves him madly
Carol Dodds ahoo's lost belief
She told him she's pregnant
But Keith just went frantic he up'ed and left herrrrrr

She is getting fat her belly's got a lump in it
Keith must have done that, you never see him now
Poor Carol does beg Keith back 'cause she's pregnant
Carol Dodds is preeeeeeeegnant
