easy come, easy go  
chenky's bent and he should know  
how we feel when he says to us  
give z a kiss, give z a kiss, give z a kiss, give z a kiss

we don't spread gossip you know  
we just want to warn you, so  
beware when you walk home this evening  
harmless? not worth believin' no

chenky, chenky, is a pu u u uff  
chenky, chenky  
chenky, chenky, is a pu u u uff  
yeah chenky is a, chenky is a, chenky is a, chenky is a  
puff

chenky said i love you so, to you a kiss i must blow  
oh, but i said it is tough, sorry, i am not puff  
chenky still persisted in starin' at me with a grin  
beware...

chenky tried his best that night, to give me a love bite  
but i dodged him, i got away  
packed with puffs, he was ok  
if you think he's had enough look out  
chenky is a puff  
beware...

chenky is a puff
