He's a trainspotter, hes an anorak  
He's a nerd, you've heard the word, a dork, a maniac  
He's a pratt, hes a geek, a freak, he's one o'those  
squarest tassers in the street, n' everbodys knows

It's...

DORKAMANIA, HE'S GOININSANIA  
I NEVER MET A MORON WHO IS MORE MUNDANIA  
DORKAMANIA, HE'S GOTT A BE BRAINIA  
BUT WHAT'S HE GONNA DO WHEN HE GETS THERE  
COZ IT'S ALL  
DORKAMANIA

In Ornathology, hes got a PHD  
He's a master, bater, taken to the 1st degree  
Grand world class chess champions,

the wally worships these  
He's a bore, I've said before, AND WE ALL AGREE

It's... dorkamania

He's absurd, there ain't a bird I've heard  
that he can pull  
They say he's facinatin' till they date him,  
then they hate him  
We've never met a bloke so dull.

So the silly sad get's surfen' on the internet  
Hes out to find Arsehole mate, He's found nobody yet  
is there anybody out there, that will be my pal?  
I don't need a nutter, just somebody abnormal

It's  
Dorkamania
