You can guess what life for Douggy
is like, he wakes up in the street,
No home, no bed, he says he's lucky,
That he can smile and be happy....

[Chorus:]

Douggy, Douggy, Giro,
Douggy, Douggy, Giro.

People say that he's not worthy
of clothes, that shows that they don't care,

But he does not let this get him down,
That is how Douggy stays alive....

[Chorus]

Douggy's inside a bus shelter,
It's raining and a sight to see,
Douggy smiles he's seen a rainbow,
Every.. where's bright, and so is he...

[Chorus]
