[Chorus:]

Victory if Glenda she, had a baby, oooooe,

Things were looking gloomy and Glenda she was sad,
Kevin had been out with Carol Sands,
But Glenda she though surely,
It can't be that bad, if I had a baby,

[Chorus]

Glenda went round to the doctors the next day,
You can't have a baby, that's what he said,

Glenda did not give up she's got this book to read,
Of how to have a test tube baby....

[Chorus]

Glenda's Dad had just died and she was unhappy,
If only she could have a baby,
So to the disapproval of Kevin and his mam,
She signed up for a baby...

[Chorus]
