Give'z the money Peter Practice says to us  
give'z the money quickly don't make a fuss  
give'z the money....  
Pete takes the pop groups he'll even take the trash  
but if you practice at Peter's place  
you must have plenty cash

give Pete the money the he'll let you have the key  
give Pete the money then you can practice free  
it's icy cold in Peter's place  
but don't switch on the heater  
coz you'll end up putting 10 quid in  
Pete's electric meter.

Do you want some crisps and pop?  
they're all on sale at Pete's tuck shop

we will have to put a stop to Peter

*[Chorus:]*

we all give Peter the money  
we've all been nway  
we all give Peter the money now  
give'z the cash give'z the bread  
give'z the money  
money's gone to Peter's head.

if you are stuck  
Pete will lend you an amplifier  
but when it's time to go  
he'll say five pound hire

Do you want some crisps and pop?...

*[Chorus]*

All the pop groups are nearly broke  
this has gone far beyond the joke  
Peter Practice is a rich bloke now
