she may fool you, but she ain't never gonna fool me

anything we've seen, she's seen, jeans seen yeah  
got them, got that, been there, done that

tell her were ya goin', she'll be goin' too  
tell her what ya want, she'll want one just like you  
tell her what ya bought, and she'll be buyin' that  
she's a psychopathic copycat

light water valley, bangor, torquay  
jeans been, jeans been

bought them, bought that, went there, saw that

got them, got that, been there, done that  
tried this, tried that, heard them, heard that  
drank there, drank that, flew there, flew that  
bought them, bought that, went there, saw that
