To Bombay
A travelling circus came
They brought an intelegent elephant
and Nellie was her name

One dark night
she slipt her iron chain, and of she ran
to Hindustan and was never seen again

ooooooooooooooooooooo...
Nellie the elephant pack her trunk and
said goodbye to the circus
of she road with a trumety trump
trump trump trump

Nellie the elephant packed her trunk
and trumbled of to the jungle
of she road with a thrumety trump
trump trump trump

Night by night she danced to the circus band
When Nellie was leading the big parade she looked
so proud and grand

No more tricks for Nellie to performe
They taught her how to take a bow and she tooked
to crowd by storm
ooooooooooooooooooooo...
Nellie the elephant pack her trunk and
said goodbye to the circus
of she road with a trumety trump
trump trump trump

Nellie the elephant packed her trunk
and trumbled of to the jungle
of she road with a thrumety trump
trump trump trump

The head of the heard was calling far far away
they meet one night in silver light
on the road to Mandaley

ooooooooooooooooooooo...

Nellie the elephant pack her trunk and
said goodbye to the circus
of she road with a trumety trump
trump trump trump

Nellie the elephant packed her trunk
and trumbled of to the jungle
of she road with a thrumety trump
trump trump trump
