and you're sick of the cost of livin,  
you've got to do something but you dunno what,  
just look what Fine Fare's givin,

oh now you know the place to go  
to make you smile and grin,  
so take a dare come to Fine Fare  
and get your shoppin in

*[Chorus:]*

We've got the store, nowt can compare,

We've got the store for you.

We've got the store for you  
This is the store for you..

Oh Prestos, Tesco's, Asda Price
