I felt like a snack in the middle of the night
I crept down stairs for a nibble and a bite, oooo oooo
A crash beyond the kitchen door
Told me that it was back for more, oooo oooo

You might o' guessed, I am possessed
I really must insist
May I suggest invest in an exorcist.

[Chorus:]
Help me, oo ee
oo ee, believe me
geist ooo ooo poltergeist ooo ooo

where's he?...
in the pantry.

I went goose pimplyfied
No where to run, no where to hide, for me
I was sceptical before
But a pantry poltergeist I saw here to stay.

[Chorus:]
[Guitar time] You might o' guessed...
[Chorus] & In the pantry...Poltergeist...
