[The Ashbrooke Launderette (You'll Stink, Your Clothes'll Shrink, Your Whites'll Be As Black As Ink)]

I didn't have a spin dryer so I had to go  
He didn't have a spin dryer so he had to go  
With his dirty socks and undies o, o, o, o, oh  
To the cleaners on the corner, but how was I to know  
They'd be more dirty at 3:30 oooooh

[Chorus:]  
Rub a dub a dub dub we wash and scrub  
We wash your laundry,  
Rub a dub a dub dub we wash your laundry..  
They say my clothes are cleaner  
But I'm not a lunatic  
They should be shot they have not got  
Per-sil Auto-matic  
Rub a dub a dub rub a dub a dub dub...

So many things go missing at the Ashbrooke  
Launderette  
So many things go missing at the Ashbrooke  
Launderette  
The clothes that you have left dirty and wet  
So if you want some washing done  
D, d, d, d, don't forget,  
You'll suffer at the Ashbrooke Launderette...

[Chorus]

You'll stink, your clothes shrink  
Your white's'll be as black as ink  
Your best red jumper turns to pink  
All crumpled up and wet  
We've been, have you been  
To get your dirty washing clean  
Are you clean you couldn't have been  
To the Ashbrooke Launderette...
