[Originally by Europe]

leavin' together, still is farewell  
maybe we'll come back, to earth, who can tell  
guess there is no one to blame  
we're leavin' ground, leavin' ground  
will things ever be the same again?

it's the final countdown, the final countdown

uh oh  
we're headed for venus, and still we stand tall

cause maybe they've seen us, and welcome us all,  
yeah  
so many light years to go  
things to be found  
so bad we all miss her so
