Insanity is everywhere,
it's a pity it's everywhere we go... we're mad John,
sirens are wailing everywhere,
wars underway...

Down comes a bomb from the sky to the ground,
the score's two one it's the enemy's round,
but we'll all be dead coz the whole world's gone...
HELLBOUND!

[Chorus:]

We're Mad... ca ca ca crazee,
We're Mad... la la la looneys too,
We're Mad... ca ca ca crazee,
Ca ca ca crazee now... Lookout!

Ten thousand soldiers everywhere,
guns on their shoulders everywhere they go... they're
mad John!
always a battle everywhere,

madness again Hey!

The wives back home looking after baby,
cry when they see that on the T.V.
their love's been shot, but tonight they made,
HISTORY...

[Chorus]

Down comes a bomb from the sky to the ground,
the score's two one it's the enemy's round,
but we'll all be dead coz the whole world's gone...
HELLBOUND!

[Chorus]

We are mad it's clear again, that it will always be the
same,
it's a fact but really is a shame, that we're Mad Mad
Mad Mad
Mad Mad Mad Mad.....
