**(feat. Loon)**

My guy fly guy  
Only half the man I need  
So I take him , shape him  
Make him rethink  
His identity  
Into a being that you never would believe  
This transformation, my formation  
Mr. Right you see  
He was the perfect creation  
Every young girl's dream  
The perfect dime no longer mine  
But still the one I need

Every girl wants to be in love  
With the one of her dreams So what  
What should you do if he seems outta touch  
Who wrote the book of love  
Every chapter same thing  
Same game  
Think it's time to rearrange  
Gotta write a new page  
Hate the way the game is played  
How the rules are made  
Who wrote the book of love

Sick and tired of how the story's told  
Fellas always braggin' on how they got control  
Me and my girls bout to change the whole game  
Weekend's comin' up let me see who's gonna play  
First round draft pick  
I'm pickin' Ben  
Cause Ben's got platinum  
He don't care what I spend  
Next up yo, I believe that's Nick  
Nick's got a Range and I like the way it sits  
So ladies if ya'll feel the same way  
Change the game find who you wanna play

Rewrite the book then tell ya the story well  
While he's at home waitin' to exhale

Every girl wants to be in love  
With the one of her dreams So what  
What should you do if he seems outta touch  
Who wrote the book of love  
Every chapter same thing  
Same game  
Think it's time to rearrange  
Gotta write a new page  
Hate the way the game is played  
How the rules are made  
Who wrote the book of love

Rule 1 says you betta worship your man  
Rule 2 says you betta treat her like gem  
Rule 3 says you betta watch who you let in  
your heart or they'll tare apart  
Rule 4 says that nothin's promised to you  
Rule 5 gives exceptions to to every rule  
Rule 6 breaks it down and tells you like it is  
That rules were meant to be broken

*[Rap..]*

Every girl wants to be in love  
With the one of her dreams So what  
What should you do if he seems outta touch  
Who wrote the book of love  
Every chapter same thing  
Same game  
Think it's time to rearrange  
Gotta write a new page  
Hate the way the game is played  
How the rules are made  
Who wrote the book of love
