(Willcox / Bogen)

A loneliness that no-one knows,
When his love dies, yours grows and grows.
It's a cruel world
Shall I tell you what I'll do?
I'll forget you.

New beginnings, new surroundings, new love,
Another world to dream of.
New beginnings, new surroundings, new love,
It's a brave new world.

Remove the thorn from the lion's paw.
Hear my words, "Pain no more"!
I'm going places I've never seen before.
New faces, new words.
Send my kisses to the old world.

New beginnings, new surroundings, new love,
Another world to dream of.
New beginnings, new surroundings, new love,
It's a brave new world.

It's a brave new world
I'll forget you
I'll move on.

New beginnings, new surroundings, new love,
It's a brave new world.
New beginnings (it's time)
New surroundings (to move on)
New love, It's a brave new world.

New beginnings, new surroundings, new love,
It's a brave new world.
New beginnings, (it's time)
New surroundings, (to move on)
New love, It's a brave new world.

New beginnings, new surroundings, new love,

It's a brave new world.
New beginnings, (it's time)
New surroundings, (to move on)
New love, It's a brave new world.

New beginnings...
I'll forget you...
I'll move on, I'll forget you
The voice of discontent youth...
