He was a 6 foot stallion

sayin the story of a thug

he was the kind that made you wonder how he put
down the love

he had a hickey in his pocket a phat rock in his ear

he made my heart stop palpitating everytime he came
near

he had his spankin new range for that tight woredrobe

his pants were saggin he was plaided and his hair was
cornrolled

he had his wrists bling blingin

and his long legs was bow

he tried to push up on me but i knew he had me at go

[CHORUS]

I do I wonder if you feel the same way I do

I can see it in your eyes I entice you

so come on shorty if you think you can roll with

an iced out playa ballin outta control

Cuz I do I wonder if you feel the same way I do

I can see it in your eyes I entice you

so come on shorty if you think you can roll with

an iced out playa ballin outta control

Cuz I do

Me and my crew started groovin made our way to the floor

It's time to activate my plan, and give this hottie a show

I shook my hips took a dip

rolled my tongue 'cross my lips

and when he took his place to dance with me i felt fingertips

on the small of my back so i had to react

like i was playin hard to get and told that boy to step back

but when i looked deep in his eyes all i could see was his soul

i'm bout to make this guy my man, that i can tell ya for sure

[CHORUS]

watch me drop drop shake it for the fellas who know

watch me pop pop my hips as i dip and roll

and watch me stop stop traffic as i walk through the room

knowin all the papi's want me but all i want is you (i do)

watch me drop drop shake it for the fellas who know

watch me pop pop my hips as i dip and roll

and watch me stop stop traffic as i walk through the room

knowin all the papi's want me but all i want is you

[CHORUS]
