(Words Willcox / Music Bogen)

Skimming the surface of a sleep  
The rain falls hard from the heavens deep  
Shatters my hopes, shatters my dreams  
Shatters my windows into smithereens  
And the feeling gets too hard to hold  
I explode  
I explode  
I explode...

Adrenalin rush  
It's all too much  
I'm pouring over the threshold  
I was warned and I was told  
I explode  
I explode  
I explode...

I explode  
I explode  
I explode  
I was warned  
I was told  
I explode  
I explode  
I explode...

Elusive stranger  
Come on, lay it on the line  
Alone in my madness  
I'm alone for all time  
I'm alone for all time  
I explode...

I explode  
I explode  
Shatter my hopes  
Shatter my dreams  
Close the door  
Shatter my windows into smithereens yeah

I explode...

I explode

I explode

Shatter my hopes

Shatter my dreams

Close the door

Shatter my windows into smithereens yeah

I explode

Explode

Explode

Explode

Explode.
