(Words Willcox/Music Willcox, Lee)

Rise o sun
Rise o sun
Golden one
God of our horizon

God's eye
Volcano cry
Warrior
You're a Masai

Africa
Africa
Africa
Africa

Spear your joy
Oh Masai Boy
Spear your joy
Oh Masai Warboy

Manhood
You must kill the boar
Be a warrior
As your elders before
Painted loins
Africa
Seeking
The spirit of adventure

Dye your hair
Paint your skin
Sacrifice
The youth of your skin

Run to the sun
Run to the sun
Run to the sun
Run to the sun

Exhaustion
Exhaustion
Exhaustion
Exhaustion

Your body's screaming
Your body's screaming
Your body's screaming
Your body's screaming

Masai boy
Masai boy
Masai boy
Masai boy

You're a warrior
You're a warrior...
