Fingers cross my lips  
Drawing pretty maps  
With my bright red lipstick  
Pictures of deviation  
I read in the dictionary  
That I'm a miscreation  
A nonconformist  
Make it quick, make it quick,  
I make a livin' off-a this

This is your fifteen minute call ladies and gentlemen  
fifteen minutes.

Thank you.

God you're beautiful.

Na na don't use the back breaks honey  
Forget my lips just let the muscle fix fit  
Pr... pr... prostitute  
Pr... pr... prostitute

Now don't quote Karl Marx to me  
What's yours is yours,  
What's mine is ours  
When you touch me  
I feel the media printing porn  
Across my female form  
Cigarette burns on your jacksaw chin  
Come on man  
I need a girl  
If you can't do  
What she can man.

They say, when something begins, there is no sin...

Na na don't use the back breaks honey  
Forget my lips just let the muscle fix fit  
Pr... pr... prostitute  
Pr... pr... prostitute  
Come on baby, baby, baby, baby

Reach my maturity  
No bones about it  
Slow burn speed car racing  
Three point turn  
B... b... body tracing  
We're heading for that wall  
We're heading for that wall
