We're the lords of the jungle ?
We're the war boys,
We're the ones who make all the noise.

Lay-oh Lay-oh Lay-oh
Layay man tey sa-ra-rai
Lay-oh Lay-oh Lay-oh
Layay man tey sa-ra-rai

Up with the dawn,
It's just another day;
Under the warpaints,
It's just another day.

Lay-oh Lay-oh Lay-oh
Layay man tey sa-ra-rai
Lay-oh Lay-oh Lay-oh
Layay man tey sa-ra-rai

We're the lords of the dawn

We're on trial for first a time
Boom-wild warriors drifting with time

Lay-oh Lay-oh Lay-oh
Layay man tey sa-ra-rai
Lay-oh Lay-oh Lay-oh
Layay man tey sa-ra-rai

We live every day as though it's the last,
One step wrong, we're a thing of the past
But still one gets these strange desires
Step in our way, we'll burn you with fire!

Lay-oh Lay-oh Lay-oh
Layay man tey sa-ra-rai
Lay-oh Lay-oh Lay-oh
Layay man tey sa-ra-rai

The sun goes down,
It's been another day

The lights go out
And we fade away.

Lay-oh Lay-oh Lay-oh
Layay man tey sa-ra-rai
Lay-oh Lay-oh Lay-oh
Layay man tey sa-ra-rai

We run from the dawn into the night
All you can see is the whites of our eyes
See me

And you can come too
And you can come too
And you can come too
And you can come too

Lay-oh Lay-oh Lay-oh
Layay man tey sa-ra-rai
Lay-oh Lay-oh Lay-oh
Layay man tey sa-ra-rai
