Text & Music : La La Land/Shep Solomon

It's a cruel cruel world  
So conventional  
Sometimes love just wins you over  
I've come to learn it's true  
It's not intentional  
Everytime when we move closer

I'll take the fall  
A twist I know  
You just see right through me  
It may be wrong all along  
It keeps on turning, turning

I could walk away now  
End it perfectly  
And just say your words are  
Not affecting me  
Somewhere deep inside  
I know it may be wrong  
But I'm ready to commit  
Mistake No. 2 (yeah)  
Mistake No. 2

Must have heard it once; a million times  
From everyone: the perfect line  
But you're the one to recognize  
These are things I need in my life

So I'll take the fall  
A twist, I know  
It keeps on turning, turning

I could walk away now  
End it perfectly  
And just say your words are  
Not affecting me  
Somewhere deep inside  
I know it may be wrong

But I'm ready to commit  
Mistake No. 2 (yeah)  
Mistake No. 2

Hey hey  
Oh hey  
Hey hey  
Oh hey  
Hey hey  
Oh  
Oh

Here it comes again  
It never ends  
I keep on falling further  
I'm not sure that I can walk away now

Perfectly  
Words are  
affecting me  
Somewhere deep inside  
I know it may be wrong  
But I'm ready to commit  
Mistake No. 2 (yeah)  
Mistake No. 2

Hey hey  
Oh hey  
Hey hey  
Oh hey  
Hey Hey  
Oh  
Oh

Mistake No.2

Hey hey  
Oh hey  
Hey hey  
Oh hey  
Hey hey  
Oh  
Oh

Mistake No. 2

Hey hey  
Oh
