"do I improvise this?"

"just be obscure. hello doctor.."

"hello sweetie, how are you today, oh hello patient, how are you today?....."

"well really, to be honest with you, I have this little problem"

"and I have this answer....."

"yes, but my problem's just here, can you see it? just where the suspender

belt

starts.."

"oh that little problem. oh, look at this.."

"that little problem, yes, just where my suspender belt starts.. do you always

wear that rubber mask?"

"how about some st.michael strong gusseted corsets..

this isn't going to go

too

far.. I'm embarrassed.. libertine!"

"what's it mean?"

"one who's free"

"and.."

"free with themselves and others"
