(willcox)  
I must  
I must not  
Homecraft  
I must  
I must not  
Homecraft  
I must be a bad cook  
I must not bath  
Homecraft  
I must, I must  
I must wear dirty clothing  
I must be anti-social  
Homecraft  
I must  
I must not  
I must  
I must not  
I must not be quiet  
I must answer back  
Homecraft  
I must, I must  
I must be foul tempered  
In company  
Homecraft  
I must, I must  
I must bury the vacuum cleaner  
Somewhere in the garden  
Homecraft  
I must, I must  
I must remove the sheep notches  
Off my husband's wellies  
I must  
I must not
