He was a 6 foot stallion
say a storybook thug
he was the kind that made you wonder how he put
down the love
he had a hickey in his pocket a phat rock in his ear
he made my heart start palpitating everytime he came
near
he had his spankin new range for that tight wordrobe
his pants were saggin he was plaided and his hair was
cornrolled
he had his wrists bling blingin
and his long legs was bowed
he tried to push up on me but i knew he had me at go

[CHORUS]

I do I wonder if you feel the same way I do
I can see it in your eyes I entice you
so come on shorty if you think you can roll with
an iced out playa ballin outta control
Cuz I do I wonder if you feel the same way I do
I can see it in your eyes I entice you
so come on shorty if you think you can roll with
an iced out playa ballin outta control
Cuz I do

Me and my crew started groovin made our way to the
floor
It's time to activate my plan, and give this hottie a show
I shook my hips took a dip
rolled my tongue 'cross my lips
and when he took his place to dance with me i felt
fingertips
on the small of my back so i had to react
like i was playin hard to get and told that boy to step
back
but when i looked deep in his eyes all i could see was
his soul
i'm bout to make this guy my man, that i can tell ya for
sure

[CHORUS]

watch me drop drop shake it for the fellas who know
watch me pop pop my hips as i dip and roll
and watch me stop stop traffic as i walk through the
room
knowin all the papi's want me but all i want is you (i do)
watch me drop drop shake it for the fellas who know
watch me pop pop my hips as i dip and roll
and watch me stop stop traffic as i walk through the
room
knowin all the papi's want me but all i want is you

[CHORUS]
