Ieya,  
Solar  
Ieya,  
Calling  
The perfect sphere,  
A star  
My crystal vase,  
Exploding  
Ieya  
Solar  
Ieya  
Calling, calling, calling you,  
Solar's calling  
Calling, calling, calling you  
Tell me can you hear me?  
Are lasers interfering?  
Can you hear me?  
Calling, calling, calling, calling

I'm calling you,  
I'm calling you,  
(It's Ieya,)  
I am Solar  
(Messiah),  
Calling,  
So you're the perfect sphere?  
A star,  
I'm a beast, the shiny beast  
Mate me, the beast  
(Messiah)  
I am Solar  
(Messiah)  
I'm the beast

The beast of the jungle,  
The beast of the street,  
Mate me,  
Fear me  
Fear the beast  
My metals are shining  
The serpent screams  
Fear the beast

Fear me I'm the beast  
I'm the beast  
Can you hear me?  
I'm calling you  
(leya)  
I am Solar  
(Messiah)  
Chanting  
Zion, Zuberon, Necronomicon  
Zion Zuberon,  
Necronomicon!  
(Messiah)  
I am Solo  
La, la, la, la, la, la, la.

Zion, Zuberon, Necronomicon  
(chhhh, t'k chhhh, t'k)  
Zion, Zuberon,  
Na, na na na, hey debouch  
(chhhh, t'k chhhh, t'k, chhhh, t'k )  
Na na na na, hey debouch  
Zion Zuberon  
Zion Zuberon  
Zion Zuberon  
Zion Zuberon  
Zion Zuberon  
Zion Zuberon  
Na na na na hey, de-boch  
(chhhh, t'k chhhh, t'k, chhhh, t'k )

Zion Zuberon, Say Solar  
Zion Zuberon, I am the Solar  
Messiah  
Messiah  
(leya)

(leya)  
Messiah  
(leya)  
Messiah  
(leya)
