(Willcox / Bogen / Bush / Henry)

I see, I seek deceiver of deception;
Creation of my deprivation;
I see, I see a split disposition;
I will, I won't decide my indecision.

Journey never ends,
We revolve to go
Then return again.
Journey never ends,
Just like the sea
We revolve to go
Then return again Â–
See, see, see...

An intruder from oblivion
Makes his decision
The deception of a madman Â–

Journey never ends,
I really try to go!
I pain myself to leave
Then return Â–

I see, I seek deceitful of deception;
Creation of my deprivation;
I see, I see a split disposition;
I will, I won't decide my indecision.

Journey never ends,
I finally explode...
See, see, see...

I see I see I seek
I see I see I seek
I see I see I seek
I see I see I seek...

See, see
See...
