(Willcox / Darlow)

I won't crack and I won't bleed
I won't let you see what you've done to me
I won't break or reinstate
I won't fake for the sake of peace

Oh this is ecstasy
Bring it on and challenge me
Oh this is obscene
Are you doing it just for me

Am I made by a lesser god
Because I believe in love
Am I made by a lesser god
Thrown from the heavens above

You say you can't feel love
Can't trust, be affectionate
You can hate, do you relate
Causing pain in a reign of fate

Oh this is ecstasy
Bring it on and challenge me
Oh this is obscene
Are you doing it just for me

Am I made by a lesser god
Because I believe in love
Am I made by a lesser god
Thrown from the heavens above
Am I made by a lesser god
Because I believe in love

I won't crack and I won't bleed
You say you can't feel love

Oh this is ecstasy
Bring it on and challenge me
Oh this is obscene
Are you doing it just for me

Am I made by a lesser god
Because I believe in love
Am I made by a lesser god
Thrown from the heavens above

Am I made by a lesser god
Because I believe in life
Am I made by a lesser god
Because I fight for right
Because I fight for right
Because I believe in life.
