Mmm
Yeah, this is for mama
This one right here goes out to my favorite girl (my
mama)
Me? I call her Lite-skinned freckle face (I love my
mama)
Yes indeed, love her to death (my mama)
So baby girl, check this out
Tell me if you like it (my mama)

She came from a broken home
Nothin' really positive
Back in the day, there was a lot of drama goin' on
But she'd always find a way to deal with it
Never knew if she would make it through
Occupation, situation got you crazy boo
But when you had me, you had a soldier too
Don't you worry 'bout a thing cos I got you
Just wanna take the time
To tell ya how I feel (how I feel)
Girl I just wanna thank you
For keeping me real
I really love u mama

[Chorus]
I love my Lite-skinned freckle face
Always spread love all over the place (Over the place)
When I?m almost lost you show me the way
Just wanna take a minute to say
I love my Lite-skinned freckle face (oh yeah)
Believe me I heard everything u say
And I keep you with me baby everyday
So I know I?m gonna be O.K.
I love my mama

Fried chicken, rice and red beans (ha ha)
Damn, I miss Sunday
All the times I used to dream about havin' things
You always told me to be patient, it'll happen one day
'Member the rest of your marriage, we used to get in
the back (?)

Or when you put me in the Wagon to the Laundromat
Way back when I was the little man of the house
You was the woman I was all about
And I just wanna take the time to tell ya how I fell (how I
feel)
For keeping me real
I really love you Mama

[Chorus]

I love my Lite-skinned freckle face
Always spread love all over the place (Over the place)
When I?m almost lost you show me the way
Just wanna take a minute to say
I love my Lite-skinned freckle face
Believe me I heard everything u say (everything you
say)
And I keep you with me baby everyday
So I know I?m gonna be O.K.
I love my mama

Now it?s 20 years later
And believe me she?s the only girl for me (only girl for
me)
I treak a million dollars just to make you happy
If I had it
Listen here
I say a little prayer every night for the lord
To send to me
Somebody just half as good as you
I wanna be blessed like my daddy
(I love mom)

[Rap by P-Nut]

So many nights, me and moms kickin' conversation
Growin' pains and peer pressure is what I'm facin'
But mom's erasin' the pain with her words, so gentle
Good grades and bad friends, got me stuck in the
middle
But I wiggle outta bad situations 'cause of you
Drillin' me everyday about the right thing to do
And if I didn't listen, then you know I'd be through
That's why I owe my whole life to you

[Chorus]

I love my Lite-skinned freckle face
Always spread love all over the place (Over the place)
When I?m almost lost you show me the way
Just wanna take a minute to say
I love my Lite-skinned freckle face
Believe me I heard everything u say
And I keep you with me baby everyday

So I know I?m gonna be O.K.
I love my mama

[Chorus]

I love my Lite-skinned freckle face (mama)
Always spread love all over the place (my mama)
When I?m almost lost you show me the way
Just wanna take a minute to say
I love my Lite-skinned freckle face
Believe me I heard everything you say (everything you
say)
And I keep you with me baby everyday
So I know I?m gonna be O.K.
I love my mama

[Chorus to fade]
