[Intro]

(Yeah, this is for my...)

This one right here goes out to my favorite girl

Me? I call her LiteSkinFreckleFace

Yes indeed, love her to death (my my my)

So baby girl, check this out

Tell me if you like it (my my my)

She came from a broken home

(Nothin' really positive)

Back in the day, it was a lot of drama goin' on

(But she'd always find a way to deal with it)

Never knew if she would make it through

Occupation, situation got you crazy boo

But when you had me, you had a soldier too

Don't you worry 'bout a thing cuz I got you

1 - Just wanna take the time to tell you how I feel

Girl, I just wanna thank you for keepin' me real

I really love you mama

2 - I love my LiteSkinFreckleFace

Always spread love all over the place

If I lost my light, you'd show me the way

Just wanna take a minute to say

I love my LiteSkinFreckleFace

Believe me, I've heard everything you say

And I keep you with me baby everyday

So I know we're gonna be okay

I love mama

Fried chicken, rice and red beans

(Damn, I miss Sunday)

All the times I used to dream about havin' thangs

(You always told me to be patient, it'll happen one day)

'Member the rest of your marriage, we used to get in  
the back (?)

Or when you put me in the Wagon to the laundromat

Way back when I was the little man of the house

You was the woman I was all about  
And I...

Repeat 1

Repeat 2

I love mama

Now it's 20 years later and believe me  
She's the only girl for me  
I'd trick a million dollars just to make you happy  
If I had it, listen here  
I say a little prayer every night for the Lord to send to  
me  
Somebody just half as good as you  
I wanna be blessed like my daddy, I love mom

[Rap]

So many nights, me and moms kickin' conversation  
Growin' pains and peer pressure is what I'm facin'  
But mom's erasin' the pain with her words, so gentle  
With braids and bad friends, got me stuck in the  
middle  
But I wiggle outta bad situations 'cause of you  
Drillin' me everyday about the right thing to do  
And if I didn't listen, then you know I'd be through  
That's why I owe my whole life to you

Repeat 2 to fade
