(Words Willcox/Music Willcox, Lee)

Rise o sun

Rise o sun

Golden one

God of our horizon

God's eye. Volcano cry.

Warrior. You're a Masai.

Africa

Africa

Africa

Africa

Spear your joy

Spear your joy

Masai Warboy

Manhood. You must kill the boar

Be a warrior. As your elders before

Painted loins. Africa

Seeking the spirit of adventure

Dye your hair

Paint your skin

Sacrifice

The youth of your skin

Run to the sun

Run to the sun

Run to the sun

Run to the sun

Exhaustion

Exhaustion

Exhaustion

Exhaustion

Your body's screaming

Your body's screaming

Masai boy

You're a warrior

MARIONETTE

-----

(Words Willcox/Music Bogen)

Twisted strangers

Have gone to war

Oxygen drunk

Fall bleeding to the floor

Glass eyed creatures

Fragmented features  
Piecing together  
Fallen warriors  
revolution  
For the maiden queen  
Sherwood Forest  
Or an African scene  
The Marionette  
She has velvet claws  
She pulls the strings  
In this city of whores  
The Marionette pulls the strings  
You say yes  
You bend, she wins  
The Marionette pulls the strings  
Pulls and pulls  
Til your spirit gives in  
Grueling hot sweat  
In the land of a whore  
will this be war  
will this be war  
The knave and the pawn  
Ripen the whore  
With bastard sons  
her brats of law  
The hawk and the falcon  
Swoop to blind their eyes  
The reaper she laughs  
She chokes she cries  
The Marionette pulls the strings  
You say yes  
You bend, she wins  
The Marionette pulls the strings  
Pulls and pulls  
Til your spirit gives in  
Foaming white horses  
Cracking their sinews  
For the Maidens of Troy  
The bell tower falls  
Pouring to the floor  
Whoa, love and death, a climax all in all  
Medieval shores and madrigals  
Her velvet claws pull you with passion  
to her floor  
In the cathedral  
Her children sing  
In the cathedral  
The pendulum swings  
The Marionette pulls the strings  
You say yes  
You bend, she wins

The Marionette pulls the strings  
Pulls and pulls  
Til your spirit gives in
