Stand tall
Take the blows
Never fall
Tomorrow will bring new goals
Take the bitter with the sweet
I know you too well
Life's incomplete
Till you've been ground into the street
Winners must be fit...

We're moonlight dancing
All alone in our rooms
We brave the storm
We're all special.

Lost souls feeling hurt
Not understanding our crimes
Troubles minds
Searching so hard for long forgotten goals
Life's incomplete
Till you've been ground into the street
Winners must be feet...

We're moonlight dancing
All alone in our rooms
We brave the storm
We're all special
We're all somebody's hero.

We're moonlight dancing all alone in our rooms
We're moonlight dancing all alone in our rooms
We're moonlight dancing all alone in our rooms

We're moonlight dancing
All alone in our rooms
We brave the storm
We're all special
We're all somebody's hero

We're all somebody's hero.
