(Willcox / Elsimburg)

Mother I want a lover  
I want your son  
Maybe he's 20 years too young  
Maybe I'll give him  
20 years more fun  
Just begun his sentimental education

Mother I want flesh  
Time deconstruction  
Maybe undo what time has done  
I'm too qualified to give up  
Lie down and die  
This is my unsentimental education

Maybe I'll free him  
Maybe I'll try  
I'd rather do something  
I just can't reply  
Here we are thinking  
There's a whole world sinning  
Let's begin his sentimental education

Sha la la la la la la  
La la la la la - aa  
Sha la la la la la la  
La la la la la - aa

Mother I want a lover  
I want your son  
I want a lover  
I want more fun
