(Willcox / Bush)

Floating down the Orinoco,
On a breeze from Alca Poco
Soft shoe shuffle
Reflections bend in the wind.
Nature's toy, convexed talking,
Outer space is nice to walk in.

Space walking,
The in's and out's of convexed talking.
Space walking,
Conversing on convexed talking.
Spaced and walking

Nature's seed,
Nature's joy,
Soft gentle voices
Nature's seed,
Nature's toy

Soft gentle voices
Float me away.
Soft gentle voices
Shuffle and float me away.

Bent hobbled houses,
Old men, funny trousers.
Wrinkled hands and funny ways,
Plough fields
Sow seeds nature's way.

Nature's seed,
Nature's joy,
Nature's seed,
Nature's toy
The gent turns the handle far too bloody slow...
