(Willcox)

Slowburn  
Shall I jump  
I can jump  
Shall I  
Jump

I dare you  
I dare you  
You swear me to coax me  
Coax me

In your eyes (your eyes)  
Between my eyes (my eyes)  
Shoot me down (down)  
With love it lies (shoot me)

Slowburn  
Shall I jump  
I jump  
Shall I  
Jump

Dispossessed and loveless  
Powers my extinction  
Extinction

Who would ever love  
Persuade me  
Persuade me  
Coax me

As the sun comes up  
My heart goes down

Jump!
