(Bennett)

Stay and you'll soon learn  
To return another day  
Stay and you'll soon learn  
You will learn another way  
You will see more  
You will see all another day  
You will see more  
You will see all another way

My world of tension  
My world of tension  
My world of tension  
I've found redemption

I'll always love him  
To return another day  
I'll always love him  
You will learn another way  
He brought me here  
You will see more another day  
He brought me here  
You will see more another way

My world of tension  
My world of tension  
My world of tension  
I've found redemption

Stay and you'll learn  
See one and all another way

My world of tension  
My world of tension  
My world of tension  
I've found redemption  
My world of tension  
My world of tension  
My world of tension  
I've found redemption...
