cracking skulls, tearing flesh.
have another heart attack.
send 'em in, send 'em in, why don't you try pushing
all the goddamn buttons. maybe just one of them will
suffice. go back to the golf course.
if the shoe fits, fuck it.
confidence minimally confirmed,
the more unsuspecting conclusions occur.
self model shoe-switching correlation may be dyslexic.
folded and removed, all signs of any research.
2 + 2 not equal to 4, hours and hours of frequency
tampering. not to mention variables,
reconstructing codes of silence.
when flies ate men, the procrastinating never started.
