This song's for you

David, Luca, Lion.

It shall guide you through

the night

And help you through the day.

Whenever things go wrong I'll be with you.

Whenever clouds are there we'll fight them through.

You never walk alone.

I'll be with you.

Never walk alone.

I'll be with (you)

When you think you have to cry,

then rest a little by my side

you should know,

You never walk alone.

This song's for you

David, Luca, Lion.

It's a song just for you.

To brighten up your day.

Whenever things go wrong I'll be with you.

Whenever clouds are there we'll fight them through.

You never walk alone.

I'll be with you.

Never walk alone.

I'll be with (you)

When you think you have to cry,

then rest a little by my side

you should know,

You never walk alone
