Superman-man, Superman-man
Superman is on the air
I'm flying in my super-red underwear
His sexy suit is turning me on
I feel kind'a hot when I'm putting it on
He's got sexy X-ray eyes
And his legs are really nice
Oochie-coochie in the sky
And I'm kissing for the very first time
He is Superman, Super-duper-man
Flying in to see me - from Super-Land
Come on Superman, Super-duper-man
Take me for a joyride, 'cause I know you can
Superman-man, Superman-man
I can see my house from here
Yeah, let's party-hardy over there
Can I touch your tingeling?
You make Superman go super-schwing

He's got sexy X-ray eyes
And his legs are really nice
Oochie-coochie in the sky
And I'm kissing for the very first time
He is Superman, Super-duper-man
Flying in to see me - from Super-Land
Come on Superman, Super-duper-man
Take me for a joyride, 'cause I know you can
