Tonight is the night..

Mon cheri, baby  
Let us light a candlelight  
Voulez-vous couche  
'Cause it's cozy here tonight  
Aha you're wearing Calvin Klein  
And I am not a fool  
There must be something in the wine  
'Cause I think I love you

Kiss me here, and kiss me there  
I wanna be your little teddybear  
Kiss me here, and touch me there  
Come on and show me that you really care

Mon cheri baby  
I am burning for your touch  
Je ne sais pas pourquoi  
But I really missed you much  
My God, you're wearing Calvin Klein  
Is this a deja-vu?  
There must be something in the wine

'Cause I feel for you

Kiss me here, and kiss me there  
I wanna be your little teddybear  
Kiss me here, and touch me there  
Come on and show me that you really care

Baby, I'll never let you down  
'Cause the first time I saw you  
I was like Wow  
So don't talk, just kiss

Kiss me here, and kiss me there  
I wanna be your little teddybear  
Kiss me here, and touch me there  
Come on you sexy little teddybear

Kiss me here, and kiss me there

I wanna be your little teddybear  
Kiss me here, and touch me there  
Come on you sexy little teddybear
