Tonight is the night...

Mon chÃ©rie, baby
Let us light a candlelight
Voulez-vous coucher
Cause it's cozy here tonight

I heard you're wearing Calvin Klein
And I am not a fool
There must be something in the wine
Cause I think I love you

Kiss me here, and kiss me there
I wanna be your little teddybear
Kiss me here, and touch me there
Come on and show me that you really care

Mon chÃ©rie, baby
I am burning for you touch
Je ne sais pas pourquoi
But i really missed you much

I've got you wearing Calvin Klein
Is this a dÃ©jÃ vu
There must be something in the wine
Cause I feel for you

Kiss me here, and kiss me there
I wanna be your little teddybear
Kiss me here, and touch me there
Come on and show me that you really care

(spoken)
Baby, I'll never let you down
Cause the first time I saw you
I was like, "wow"
So don't talk, just kiss...

Kiss me here, and kiss me there
I wanna be your little your teddybear
Kiss me here, and touch me there

Come on and show me that you really care
Just kiss...

Kiss me here (and there)
And kiss me there (and there)
I wanna be your little teddybear

Kiss me here, and touch me there
Come on you sexy little teddybear

Just kiss...
