Green eyes and a heart of gold, all our  
Money's gone and the house is cold  
And it's alright, it's alright,  
It's alright, it's alright  
[x2]

You wear your faded old dress  
The night of the fourth of July  
The darkness kept your silhouette  
When light flashed 'cross the sky  
One crash at a time, oh  
One crash at a time, yeah

Green eyes and a heart of gold, all our  
Money's gone and the house is cold  
And it's alright, it's alright,  
It's alright, it's alright  
[x2]

We're broke in New York City  
The F train takes us home  
Our wide-eyed ways may look like  
A wreck where we're from

It's harder than we thought it'd be  
We're losing blood with every beat  
Our song is not a dying dream  
You're not alone, you're not alone

Green eyes and a heart of gold, all our  
Money's gone and the house is cold  
And it's alright, it's alright,  
It's alright, it's alright  
[x2]

For one crash at a time

Green eyes and a heart of gold, all our  
Money's gone and the house is cold  
And it's alright, it's alright,  
It's alright, it's alright

[x2]

You wear your faded old dress  
The night of the fourth of July  
Your face I only saw  
When the fireworks crash

We're broke in New York City  
The F train takes us home  
Our wide-eyed ways may look like  
A wreck where we're from

Green eyes and a heart of gold, all our  
Money's gone and the house is cold  
And it's alright, it's alright,  
It's alright, it's alright  
[x2]
