[Maurice]

Started on the twenty-first  
Of October, when things went wrong  
And arguments, took presidents  
And accusations, began to form  
She said she knew that I wasn't being faithful to her  
Couldn't believe, she had unput proof  
There's only one way, this can be true

[Chorus: Maurice]

It's a sabotage (lend 'em numbers in my phone)  
It's a sabotage (bets on up, but I wasn't home)  
It's a sabotage (underwear up in my car)  
Somebody wants me gone, damn this game has gone  
too far

[Maurice]

Why the hell you wait so long  
To confront me about your feelings, girl  
Said that you tried to, but you told yourself  
It wasn't true (told yourself it wasn't true)  
Tell me, everything you know  
So I can tell you, my point of view  
It's a sabotage baby  
And I can vouche that the rumors aren't true

[Chorus 2X]

[Hot Will]

Most of got me confused, with that other guy  
Insecurities inside, got you looking through the ride  
Checking my phone, to see if all the numbers still  
match  
The last time you checked, I just sit back and laughed  
Gave you everything you wanted, all that you can ask  
So far from what you was to be, you should know that  
No other girls gonna take your place  
Replace what we built, mami, get your hair straight  
Remember all the love making, now you're taking too  
much time  
Try'nna figure out if I'm lying

Eyeing another female, while we shopping retail  
Think I'm running games on dames, while you getting  
your nails  
Done, hun, it's ok, if you thoughts run wild  
And to think, this the chick that I wanted to have my  
child  
You was a mirage, this part wasn't in the clause  
We came too far to sabotage

[Chorus 2X]
