I sit and wait
Does an angel contemplate my fate
And do they know
The places where we go
When we're grey and old
So when I'm lying in my bed
Thoughts running through my head
And I feel that love is dead
I'm loving angels instead

And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
She won't forsake me
I'm loving angels instead
