Tonight it's very clear as we're both lying here  
There's so many things I want to say  
I will always love you  
I will never leave you alone  
Sometimes I just forget say things I might regret  
It breaks my heart to see you crying  
I will always love you  
I will never leave you alone

Coz I am a man who would fight for your honor  
I'll be the hero that you're dreaming of  
Gonna live forever knowing together  
That we did it all for the glory of love

Just like a knight in shining armor  
From a long time ago  
Just in time I'll save the day  
Take you to my castle far away

I am the man who will fight for your honor  
Coz I'll be the hero that you're dreaming of  
We're gonna live forever knowing together  
That we did it all for the glory of love
