When you can't find your way through the night  
When you've lost touch and nothings feeling right  
You can't find that path that leads you on  
And you don't know which road to choose  
That's when you've got to....

==

Chorus

Listen with your heart  
Listen to your soul  
Inside you'll find the answer  
The place you need to go

Listen with your heart  
Your heart will let you know  
No matter where you are  
Just listen and your heart will lead you home  
And when this world has got your mind confused  
And when your faith has gone and run out on you  
You can't find that faith inside your soul  
You don't know which road to choose

That's when you've got to...

Chorus

Listen with your heart  
Listen to your soul  
Inside you'll find the answer  
The place you need to go

Listen with your heart  
Your heart will let you know  
No matter where you are  
The truth is never far  
Just listen and your heart will lead you home  
We all lose our way sometimes  
We all lose our faith sometimes  
If you just believe and just be strong your heart will  
take you home  
Listen with your heart  
Listen to your soul  
Inside you'll find the answer

The place you need to go

Listen with your heart

Your heart will let you know

No matter where you are

The truth is never far - just listen and your heart will  
lead you home

The truth is never far - just listen and your heart will  
lead you home
